GREETINGS

IOA President

Dear Colleagues,

On behalf of the Indonesian Orthopaedic Association (IOA), we are delighted to announce the 75th Continuing Orthopaedic Education (COE) of the Indonesian Orthopaedic Association (IOA) to be held on November 19th - 21st, 2026 at Alila Hotel, Solo, Solo, Central Java.

The theme is “Fighting Against Degeneration in Orthopaedics: From Basic Science to Sophisticated Innovations”. The scientific program of COE 2026 will feature keynote lectures, focused sessions, interactive discussions, and presentations showcasing current research, clinical practice, and technological developments.

It is a pleasure to welcome you to Solo, commonly known as Surakarta, a city in Central Java, Indonesia. It is a center for traditional Javanese arts and royal heritage. Alongside the scientific sessions, participants will also have the opportunity to experience Solo’s rich cultural heritage and to build meaningful professional and social connections.

We warmly invite you to be part of this meeting and look forward to welcoming you to the 75th COE of IOA in Solo.

Yours sincerely,

Bintang Soetjahjo, Dr., dr., Sp.OT.Subsp.P.L(K)

*President of the Indonesian Orthopaedic Association
(IOA)*

GREETINGS

Chairman of IOA Central Java

Dear Honorable Professors, Colleagues, and Participants

On behalf of the Organizing Committee, it is my great pleasure to welcome you to the 75th **Continuing Orthopaedic Education**, organized by the **Central Java Chapter of the Indonesian Orthopaedic Association (PABOI)** in the historic city of Surakarta.

The theme of this COE, "**Fighting Against Degeneration in Orthopaedics: From Basic Science to Sophisticated Innovations**" highlights some of the most significant challenges in contemporary orthopaedic practice. As populations continue to age and life expectancy increases, degenerative musculoskeletal disorders have become a major cause of pain, disability, and reduced quality of life. At the same time, remarkable advances in diagnostics, surgical techniques, biologic therapies, regenerative medicine, and rehabilitation continue to transform the management of these conditions.

This event is designed to provide a scientific forum where orthopaedic surgeons, healthcare professionals, researchers, and trainees can exchange knowledge, discuss emerging evidence, and share clinical experiences. We hope that the scientific sessions will stimulate meaningful discussions, encourage multidisciplinary collaboration, and promote evidence-based practices that ultimately improve patient care.

Through this meeting, we aim not only to disseminate the latest scientific knowledge but also to strengthen professional networks and inspire future collaborations among colleagues from across Indonesia.

I wish you a rewarding scientific experience and an enjoyable stay in Surakarta. May this COE inspire new ideas, strengthen professional friendships, and contribute to the continued advancement of orthopaedic care in Indonesia.

I look forward to welcoming you to Surakarta for an inspiring and unforgettable event.

Yours sincerely,

Mujaddid Idulhaq, Dr., dr., Sp.O.T.Subsp.Onk.Orth.R(K), M.Kes

About Solo – Central Java

Solo, also known as Surakarta, is a cultural city located in Central Java, Indonesia. It is widely known as “The Spirit of Java” because of its rich cultural heritage, historical significance, and well-preserved Javanese traditions.

The city is home to royal palaces, traditional art performances, world-renowned batik craftsmanship, and a variety of authentic local cuisine. With its welcoming atmosphere, friendly people, and convenient access to nearby cultural and natural attractions, Solo has become a popular destination for both domestic and international travelers seeking to experience the beauty and traditions of Javanese culture.

75TH CONTINUING ORTHOPAEDIC EDUCATION OF INDONESIAN ORTHOPAEDIC ASSOCIATION

FIGHTING AGAINST DEGENERATION IN ORTHOPAEDICS

FROM BASIC SCIENCE TO SOPHISTICATED INNOVATIONS

The 75th Continuing Orthopaedic Education (COE), organized by Indonesian Orthopaedic Association (IOA)

This event features gatherings, board meetings, scientific seminars, workshops, and regular activities that engage orthopaedic surgeons, general practitioners, and other specialists with an interest in orthopaedics and traumatology.

THE VENUE

Alila Hotel Solo

Alila Hotel Solo is a luxury 5-star hotel in Surakarta (Solo), Central Java. It is known for its modern design, spacious rooms, and panoramic city views from one of the tallest buildings in Central Java. Located in the heart of Solo, Alila Solo features a soaring lobby ceiling, batik-inspired art and the highest rooftop lounge in Central Java, offering an urban getaway in the royal capital.

Discover how Solo's rich heritage blends with modern development including shopping, dining and entertainment as you set out to explore this enchanting city. When you return to your sanctuary in the sky, enjoy the bird's-eye view of the city from one of Alila Solo's eight towers set at staggered heights

CALL FOR PAPERS

Share Your Research. Inspire Orthopaedic Excellence

IOA members, general practitioners, residents, fellows, and trainees are warmly invited to participate in our Free Paper and Poster Presentations. This is an excellent opportunity to share your research, clinical experience, and innovative ideas with the orthopaedic community

TERMS & CONDITIONS

- Abstracts must be submitted **in English** via: IOA Abstract Submission Portal
- Submission format: **Microsoft Word (.doc/.docx)**
- Font: **Times New Roman, 12 pt**
- Maximum length: **500 words**
- File naming format: **COE75IOA_FREEPAPER_YOURNAME**
- Free Paper **oral presentation: 8 minutes**, followed by 2 minutes of discussion
- Poster presentations will be displayed on a multimedia screen
- A soft copy of the poster in **Microsoft Word and PDF** format must be submitted to the Scientific Administration no later than **September 30th, 2026**
- Poster specification: **1920 × 1080 pixels, portrait orientation, JPEG format**

IMPORTANT DATE
